Special turnstile activation for employees of external companies with assignments on weekends, public holidays and nights (validity period: 1 year)

In general: All fields not marked with "optional" are mandatory! If the information is incomplete, you will not be admitted to CHEMPARK.

CHEMPARK ID cards issued to employees of external companies are only activated on weekdays from 6:00 to 20:00. If regular jobs are to be carried out by external companies on weekends, public holidays or at night (between 8:00 p.m. and 6:00 a.m.), activation must be requested using this form.

The company placing the order at CHEMPARK must be listed here.

The company that carries out the job on site at CHEMPARK is listed here - even if it is acting as a subcontractor for another company that was originally awarded the job.

At which CHEMPARK site should the job be carried out and what activities does it involve?

What else needs to be mentioned?

Staying at CHEMPARK outside the regular weekday time window is only permitted at the location specified here. The direct route to the place of work within CHEMPARK must be used without detours. This does not include visits to the social areas and canteens."

Special turnstile activation for employees of external companies with assignments on weekends, public holidays and nights (validity period: 1 year)

Each employee who is to perform the activities described on page 1 must be listed here by name. Subsequent registration on the day the job is carried out is no longer possible. Only employees of the company carrying out the job named on page 1 may be listed.

Important: CHEMPARK ID will only be activated for use at the specified turnstile.

If more employees need to be listed then please use the supplementary sheet.

The registration must be signed by an authorized signatory of the company carrying out the job at CHEMPARK - even if this company is acting as a subcontractor and has not been commissioned directly by a company based at CHEMPARK.

The registration is only valid with the signature of the person in charge of the order of the company located at CHEMPARK that originally assigned the job.
