I have received the ID card/special/entry permit specified above.

I have fully taken note of, accept and understand the safety and regulatory regulations at CHEMPARK, the safety instructions and the CHEMPARK traffic regulations.

I assure that I will not leave my CHEMPARK ID card and/or permit to any third party and that I will keep it in a safe place, wear it visibly at the entire site and that any technically secured access points opened by means of my CHEMPARK ID card will be used only by me. I know that I may only use special permits or an entry permit in conjunction with my CHEMPARK ID card. If I use an entry permit, I will - while in CHEMPARK - display this in the dashboard area of the vehicle so that it is visible from the outside. I will immediately report any loss or suspicion of loss of my CHEMPARK ID card and/or permit to CHEMPARK Security (0214 2605 99399).
