Photo requirements for a CHEMPARK ID card

Photos that meet the official requirements for a passport photo for a German identity card or passport are also suitable for a CHEMPARK ID card. It's quicker at the ID card office if you send us your digital photo in advance by e-mail!

Your photo should be like this

- » Format: 35 x 45 mm = 827 x 1063 pixels, color
- » Frontal shot, entire head completely recognizable
- » Sharp, high-contrast, monochrome bright background
- » Eyes open, straight gaze, closed mouth
- » mouth, neutral facial expression

This doesn't work

Head not shown in full

Not sharp

Too bright

Too dark

Patterned background

Eyes not clearly recognizable

Open mouth, head tilted

Unnatural skin tones

Note: Head coverings are only permitted for religious reasons.

But: The face must always be recognizable from the lower edge of the chin to the forehead. There must be no shadows on the face.
